For more information about the Food Hygiene Rating Scheme visit [food.gov.uk/ratings](http://food.gov.uk/ratings)

The food hygiene rating shown above reflects the standards found on the date of inspection or visit by the local authority. Ratings are given on a scale from 0 (largest improvement necessary) up to 5 (very good). The rating is not a guide to food quality.

This certificate remains the property of the local authority which reserves the right to remove it at any time.

Don't forget to download our MyEd app!! The best way to stay connected and updated on whats going on in school.

Also were going cashless so please register your Parentpay accounts.

## Numbers Day

On Friday 1<sup>st</sup> February all pupils were invited to take part in the NSPCC numbers day to help raise money for the charity. Pupils were invited to wear non uniform as long as one item had a number on. Various maths and number based activities were carried out throughout the day. Thank you to all who took part. Please see some photos of the day on the next page.

**Well done to everyone who has achieved exceptional 1's this week and we hope everyone continues to earn as many as they can in the coming weeks!**
