

SAY HELLO TO YOUR

Year 5 Art and Design Teachers!

Miss Keily

Hi, Year 5! Next year I am a year 7 author group leader and I will be teaching some year 5 Art and Design Technology lessons. I teach all year groups Art and normally years 7 and 8 DT but this year I do have 1 class of year 5 DT. I share the Art room, room 2 with Mrs Balderstone and Mr Mason, and I share the food room with Mrs Balderstone. I am also one of the Assistant Headteachers and I am responsible for teaching and learning, which means I often pop into different lessons to take a look at what's going on. At lunch times you can guarantee I am one of the first in the queue for a hot lunch then you will find me either in the library which is situated in the year 5 area or on the yard. You will also see me in assemblies, around school, in some of your lessons, out on the playground at break times and on duty at the end of each day. I look forward to teaching some of you next year and meeting the rest of you at break times or in the library. See you soon x

Facts about me!

- Before I was a teacher I used to design accessories, dress up and clothes for the high street stores.
- When I'm at home I love to be outside gardening, riding my horse Splash, riding my bike with my family or running behind Mrs Jukes.
- I have a daughter called Etti and we like to walk the neighbours' dogs and look after our horse together.
- I like to participate in a 'Fit steps' class and I LOVE to tap dance.
- I also like to read and help Miss Silk to run the library.
- I have worked at Churnet View for over 10 years and there are 2 existing members of staff that I used to teach... hmm I wonder if you might be able to guess who they are? 1 of them is a year 5 teacher.
