

SAY HELLO TO YOUR

PE Teachers!

Mr Simpson

Hey, Year 5!

I just thought that I would share a little bit of information about me and my time at Churnet View. This is my eighth year of teaching at Churnet View Middle School. I have been at the school on two different occasions. I started at the school in 2011 as a School Games Organiser where I was based at Churnet View, but also taught PE at all of the First Schools in the Leek and surrounding areas, arranging tournaments for the schools to come together. I also worked at Westwood College, The Meadows and Springfield Specialist School teaching PE. I left Churnet View in 2014 to go and travel and teach PE in Australia. Since returning to the school in 2016, I have become the Head of PE at the school. My responsibility is to provide you with the best PE experience you can get! This involves creating exciting PE lessons, introducing you to new sports, arranging PE trips, extra-curricular clubs and also organising school fixtures. I am also a year 8 form teacher. You will have PE twice a week so will see me quite often. Should you need to find me at all, have any questions, or just want to say hello, I will be in the PE office, which is located in the PE corridor next to the front office. I think our school is great and I am sure you will too. We have some super facilities that you can use during the PE lessons and after school clubs. Again, if you need any help, I am always available to help you settle! I look forward to meeting you all very soon!

Facts about me!

- I have a Secondary Education in Physical Education degree from Manchester Metropolitan University.
- My favourite sport is football. When I was younger I played for a few professional clubs such as Stoke City, Port Vale and Macclesfield Town.
- Stoke City are the football team that I support.
- Running is a big hobby of mine. I have done quite a lot of running over the last few months and enjoy the challenge of beating my previous scores.
- Other hobbies I have are cooking, travelling and going to concerts with friends!
- I absolutely love my job and I am really looking forward to meeting you all!
