

What is the concern?	What to do?	When to return to school?
<p>My child has symptoms of CoronaVirus:</p> <p>a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)</p> <p>a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)</p> <p>a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal</p> <p>If you are unsure, seek advice from the NHS website or 111. Don't confuse the symptoms with those of a common cold. See here for further guidance https://www.nhs.uk/conditions/common-cold/</p> <p>*There is no need to self-isolate if your child has a cold, unless they are unwell</p>	<p>Do not send your child into school Contact school each day with an update You <u>must arrange</u> a test by booking online https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/get-a-test-to-check-if-you-have-coronavirus/ Or ringing 119- you may have to keep trying continuously as lines are currently very busy.</p> <p>Inform school about the test results.</p>	<p>If the test comes back negative.</p> <p>For a positive result see below.</p>

Headteacher: Mr S D Fryer

Churnet View Leek Staffordshire ST13 6PU. Tel: 01538 384939

<p>My child has a positive coronavirus test</p>	<p>Do not come into school Inform school of the situation and provide regular updates to the school Self-isolate for a minimum of 10 days</p>	<p>After 10 days if they feel better. If pupils have a loss of taste or smell, they can return to school if they feel well enough.</p>
<p>Someone in my household has symptoms of CoronaVirus</p>	<p>Do not come into school The person who has symptoms must get a test Keep in touch with school and inform them of the test results</p>	<p>Only come back to school if the test is negative. For a positive test, see below.</p>
<p>Someone in my household has a positive CoronaVirus test</p>	<p>Do not come into school Self-isolate for 14 days (this starts when the first person in your home or support bubble started having symptoms or the day they were tested, if they have not had symptoms – but if they get symptoms after they were tested, self-isolate for a further 14 days from when their symptoms start)</p> <p>Contact school to keep them updated</p>	<p>After 14 days or see guidance here in the instance that other people in the household develop symptoms https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/how-long-to-self-isolate/</p>
