Number Day Non-school Uniform

We are delighted to be supporting the NSPCC by taking part in Number Day on Friday 7th May.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

We are having a fun day of maths activities and we will be taking part in **Dress up for Digits**. Pupils are asked to wear an item of clothing with a number on it (football shirt, netball shirt or even a onesie!). Or get even more creative by dressing a maths or numbers theme.

To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we’d love everyone in the school to take part in this special event.

Recipe: Cloud Meringues

You will need:

- 4 egg whites (choose large eggs)
- 200g white caster sugar
- Black food colouring gel
- 200g stiff white royal icing (made according to packet instructions)
- Coloured sprinkles
- Lollipop sticks
- Cloud template (can be found online)

Method

Step 1: Heat oven to 120°C / 100°C fan / gas 1. Line 2 baking sheets with parchment paper. Using a pencil, draw 6-8 clouds on each piece of parchment measuring about 10cm across by 8cm in height. Use a template as the left half of the cloud needs to be a mirror image of the right (or they will not match when they are sandwiched together). Then, turn the parchment over so the pencil marks do not come into contact with the meringue.

Step 2: Whisk 4 large eggs until stiff, then gradually whisk in 200g of white caster sugar (a tablespoon at a time), until stiff and glossy. Add in the black food colouring to make a light grey.

Step 3: Place the meringue mix in a large piping bag and pipe over the templates. Bake for 20 minutes then reduce the heat to 100°C / 80°C fan / gas ¼ and cook for a further hour or until completely dry. Leave to cool thoroughly in the oven.

Step 4: To create storm cloud lollies, pipe stiff royal icing on the meringue (around the edge) then add a little more to secure the stick. Fill the inside of the piped area with coloured sprinkles of your choice. Add the lolly stick to the cloud, over the icing, then sandwich the other meringue over the top to enclose the sprinkles and the top of the lolly.

After School Clubs: Parking

To avoid congestion, parents will be allowed onto the carpark once the after-school clubs have finished. Pupils are brought to the top gate by a member of staff. In the meantime, please park sensibly outside school and please try not to block the entrance or resident's driveways.

Lost Property Reminder

We still have a lot of lost property in school that has not been claimed.

Please ask your child to check for any lost items or send a message/description into school and we will have a look for you.
