

# Accessibility Plan 2022-2025

Reviewed: Spring Term 2022

To be reviewed: Spring Term 2023

#### 1. Schools' Planning Duty

- 1.1 Schools need to carry out accessibility planning for pupils with a disability. These are the same duties as previously existed under the Disability Discrimination Act (DDA) and which have been replicated in the Equality Act 2010:
  - To promote equality of opportunity for disabled people: pupils, staff, parents, carers, visitors and other people who use the school or may wish to; and
  - To prepare and publish a Disability Equality Scheme to show how they will meet these
    duties.

1.2

According to the Act, a 'disabled person is defined as someone who has a physical or mental impairment which has an effect on his or her ability to carry out normal day-to-day activities.' The effect must be substantial, long term and adverse. The Equality Act definition of disability covers physical disabilities, sensory and other mental impairments and learning disabilities. Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer. Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

- 1.3 This Accessibility Plan forms part of the school's Disability Equality Scheme and is a statutory duty. It sets out how the local governing body plans to proactively improve the equality of opportunity for those within its school community who have a disability. The duty is to anticipate and plan for their future needs.
- 1.4 In accordance with the Act the plan focuses on three 'key areas':
  - Increasing the extent to which disabled pupils can participate in the school curriculum;
  - Adapting the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
  - Improving the delivery to disabled pupils of information which is provided in writing for pupils who are not disabled.
- 1.5 It is a requirement that the school's Accessibility Plan is resourced, implemented and reviewed and revised as necessary. An action plan is attached, showing the priorities

identified for action along with how they are to be addressed within a given timeframe. A series of success criteria has been set so progress and outcomes can be measured.

1.6 The plan is to be reviewed and updated at least every three years but revisited annually.

#### 2. Schools Aims

- 2.1 At Churnet View Middle School we are committed to establishing equality for all pupils, their parents/carers, staff, visitors and other users of the school, as stated in the Mission Statement and Values of The Talentum Learning Trust.
- 2.2 In drawing up this Accessibility Plan, the school set out the following priorities:
  - To provide safe access throughout the school for all school users;
  - To ensure that the learning and teaching environment and the resources used are suitable for all staff and pupils, tailoring the requirements and making reasonable adjustments to suit individual needs:
  - To provide training to all staff regarding the needs of disabled people and how to provide assistance to enable them to enjoy the school experience as fully as possible.
- 2.3 Churnet View Middle School is committed to equal opportunities and inclusion. This Accessibility Plan is not a standalone document but should be considered alongside the following school policy documents:
  - Special Educational Needs Policy
  - Equal Opportunities
  - Churnet View Middle School Special Educational Needs & Disabilities Information Report
  - Churnet View Middle School's Safeguarding Policy and arrangements;
  - Health and Safety Policy
  - Staff Related Policies, e.g. Risk Assessment, Return to Work etc.

This plan itself will also be used to advise and inform other school planning documents and policies.

2.4 It will be the responsibility of the whole school community to implement this scheme in a manner which promotes the inclusive ethos of our school.

### 3. Current Good Practice which supports this duty

3.1 The school's commitment to inclusivity has already been recognised by Ofsted, who stated in the school's last inspection that there is a :

'A very strong culture of care and support for pupils exists across the school, with all staff playing their part. Consequently, pupils feel safe, happy and well cared for in school.' (Ofsted 2019)

# 3.2 Current Activities: Increasing the extent to which disabled pupils can participate in the school curriculum

- 3.2.1 Churnet View Middle School has close working relationships with its feeder first schools and thorough transition arrangements take place in the Summer Term before starting at school. This may include multi-agency meetings with parents and all professionals who are involved with supporting the child.
- 3.2.2 The school SEND policy ensures that staff identify, assess and arrange suitable provision for pupils with special educational needs and/or disability. Working closely with Staffordshire

SEND Team, the SEND/Inclusion Hub, Outreach Services, Health Professionals and the Educational Psychology Service, the SENCo and Assistant SENCo manages the Education, Health and Care Plan process, ensuring that additional resources, including staffing, are allocated where appropriate.

- 3.2.3 The school's pastoral team also provides additional support for pupils and supports teachers in implementing strategies for improving pupils' behaviour and access to learning.
- 3.2.4 The school works closely with specialist services, including:
  - Hearing Impairment Service
  - Visual Impairment Service
  - Physiotherapists
  - Physical Disability Support Service
  - Educational Psychology Service
  - Special Educational Needs Support Service
  - School Nursing Team
  - Autism Outreach
  - GPs and Paediatricians
  - CAMHS
  - Occupational Therapists
  - Visyon Counselling Service
- 3.2.5 The school's governors, teachers, teaching assistants, support staff and lunchtime supervisors have a wide range of qualifications, training and experience of working with children with a varied range of needs, including:
  - Hearing Impairment
  - Visual Impairment
  - Physical Disability
  - Specific Medical Conditions, including Asthma, Eczema and Diabetes
  - Specific Learning Difficulties, including Dyslexia, Dyspraxia and Dyscalculia
  - Autism
  - Speech, Language and Communication Needs
  - Emotional Difficulties, including Attachment Disorder or Bereavement
  - Profound and Multiple Difficulties, including Specific Genetic Disorders
- 3.2.6 Facilities and support currently on offer at the school include:
  - Designated areas and support for 1:1 or small-group work
  - Pastoral Team to access Early Help and other agencies
  - SENCO/Assistant SENCo
  - Visyon Counselling
  - CAMHs Trailblazer Team
  - Access to the Special Educational Needs Support Service
  - Access to the Educational Psychologist
  - · Access to the Visual and Hearing Impaired Team
  - · Access to Autism Outreach
  - iPads/Access technology
  - Range of Literacy and Maths interventions
  - Specific Learning Difficulties Interventions Precision Teaching, Read, Write, Inc.
  - Access to ALL extra-curricular activities and clubs, school visits, residential trips, instrument tuition
  - Advice and support from the School Nurse Team

- 3.2.7 Churnet View Middle School celebrates diversity and its curriculum promotes tolerance, awareness and acceptance of all pupils. Resources and activities are chosen to show disability and diversity positively.

#### 3.3 Current Actions: Improving Access to the Physical Environment of the School.

- 3.3.1 This element of the planning duty covers all areas of the physical environment, such as external areas, buildings and fixtures and fittings.
- 3.3.2 There are very few parts of the school to which disabled pupils have limited or no access following the use of the schools delegated capital funding to make minor adjustments to improve access and support the needs of its current community.
- 3.3.3 In addition, the environment is continually enhanced through the school's building maintenance and redecoration programme.

#### 3.4 Current Actions: Improving the Delivery of Information to Persons with a Disability

3.4.1 School staff are aware of the services available for converting written information into alternative formats.

#### 4. Review and Implementation

- 4.1 The Accessibility Plan is reviewed annually by the Governing Body. In addition, it will be reviewed three yearly by the school following consultation with the larger school community, parents and the pupil council.
- 4.2 The review will look at each action and assess whether the success criteria has been met. Any actions that are incomplete or require further attention will be carried forward to the next action plan.
- 4.3 To allow the school to track progress and demonstrate how it is actively fulfilling its duty, this will be a working document where actions will be colour coded at review points.
- 4.4 The actions will be shaded as follows:
  - Green for actions that are complete.
  - Orange for actions that are to be carried over to the next action plan.
  - Yellow for actions that are complete but require ongoing activity
