

June 2022

Dear Parents/Carers,

At Churnet View Middle School we are committed to continually improving the school and the outcomes for our pupils. To support the school with this commitment, it is very important that there is feedback from you on key issues facing the school.

If you are able to, please click on the link below which is relevant to the year group that your child is in and answer some important questions. The questionnaire can be completed anonymously.

We consider your feedback to be extremely valuable and we will collate your responses, evaluate them and use them as part of our drive to continue to raise standards.

This is a chance for you to express your views constructively and provide opportunities for us to act on them. **Please complete the questionnaire once only.**

Thank you for taking the time to complete the questionnaire.
